

# XANADU PRIVATE SCHOOL

## Subject packages

### Gr. 11

<b>A</b>	<b><u>COMPULSORY SUBJECTS:</u></b> English Home Language Afrikaans First Additional Language Mathematics <b>OR</b> Mathematical Literacy (Math Lit) Life Orientation
	<b><u>CHOICE SUBJECTS:</u></b>
<b>B</b>	Physical Sciences / Dramatic Arts / Economics
<b>C</b>	Business Studies / Geography / Life Sciences
<b>D</b>	IT / History / Accounting /
	(IT = Information Technologies)

**Please take note:**

- Pupils should choose one subject from each line (B – D) to form the seven subjects for their course of study.
- Immigrants may choose another subject in the place of Afrikaans, BUT it is the responsibility of the learner/parents to find an outside SACE registered teacher/tutor to teach him/her the subject. All SBA and test results should be sent to the school by the tutor, which will then be entered onto our system.
- Whilst every effort will be made to accommodate a pupil's preferred choice of subjects, Xanadu Private School reserves the right to reject a choice based on class size or a pupil's past grades in, or aptitude for the subject.
- **The following subjects may not be taken if a learner is taking Mathematical Literacy: Physical Sciences and Information Technologies.**

Name of learner: \_\_\_\_\_ Current grade: \_\_\_\_\_

**Complete the following subject choices for 2020 from rows B, C and D above. (Only ONE subject per line.)**
