“Children think not of what is past, nor what is to come, but enjoy the present time!”

Dear Aftercare Centre Parents and Learners

We welcome you as a family at Xanadu Private School. Thank you for entrusting your child to us.

We strive to render a positive service to you. However, without your continued support it will be impossible to achieve this goal. We invite you to discuss any uncertainties or problems with us at all times. Your input and recommendations are important.

Our aim is:

- To create a hospitable and relaxed atmosphere.
- To bring a little piece of home into the Centre by making it as comfortable and enjoyable as possible.

1. INTRODUCTION

Xanadu Private School wishes to provide each learner with the opportunity to develop his/her full potential. This is the ideal opportunity for your child to achieve this goal under the watchful and caring eyes of dedicated and professional aftercare teachers and personnel. The centre is therefore an extension of our school and is managed according to specific educational structures and falls under the hospices of the School's value systems and educational principals. We strive to provide an effective and positive service to both the school and parents alike. This is a partnership with the common goal of developing each child mentally, emotionally and socially within a loving and safe environment.

In order to achieve these objectives, it is imperative that the Centre is managed effectively.

Consequently, it is an absolute requirement that a parent completes an application form, which then serves as a contract between the parent and the Aftercare Centre.

2. POLICY AND ORGANISATION

2.1 OPERATING TIMES

- 2.1.1 The after-school centre will be open directly after school and will stay open until 17:30.
- 2.1.2 The Centre will be closed on weekends, public holidays and during the school holidays, as well as on long weekends.

2.2 METHOD OF PAYMENT

- 2.2.1 As specified in the fees schedule for the applicable year, a fixed amount per month is payable over a period of 11 months from January to November. This package includes full care Monday to Friday from straight after school to 17:30 daily. The fees also include a healthy lunch for the children.

2.3 SUPERVISION AND DISCIPLINE

- 2.3.1 If a permanently enrolled learner cannot attend the Aftercare Centre, the coordinator is to be notified either in writing or telephonically.
- 2.3.2 For security purposes no learner will be permitted to leave the premises unless prior arrangements have been made.
- 2.3.3 The register will be completed during lunch times daily.
- 2.3.4 Serious transgressions will be brought to the attention of the Head of School after which the parent will be contacted.
- 2.3.5 The Aftercare Centre coordinator, after consultation with the involved parents, is entitled to refuse any learner who does not uphold the code of conduct of XPS.

2.4 CLOTHING

Parents are kindly requested to encourage learners to wear comfortable clothing. Clothing must be kept in a separate bag, not in the schoolbag as school books can be damaged. Learners are given ample time to change their clothes. The Aftercare Centre wishes to create an informal, homely atmosphere. If the wrong clothing ends up in your child's schoolbag, please return it to the Aftercare Centre.

2.5 LUNCH

2.5.1 A complete menu is available at the kitchen at request.

2.5.2 If a learner has any allergies/food intolerances or health conditions, it is the parent's responsibility to report such allergies and health conditions to the Aftercare centre and to ensure that special arrangements are made with the Aftercare Centre. Parents must please take note that we do not provide specialised meals and the parent would need to send their own meals with the child.

2.6 FETCHING OF LEARNERS

2.6.1 No learner is permitted to wait for his/her parents at the gate without supervision.

2.6.2 In the event where a stranger has to pick up a child, the involved parent must inform the Centre either in writing or telephonically.

2.6.3 Learners are to be signed out by their parents daily – it is imperative that all parents adhere to this arrangement at all times.

2.6.4 Please note: In the event of being late – a fine of R80-00 is imposed for the first 10 minutes after 17:30 and a further R40-00 for each consecutive five minutes per child thereafter. Please contact us in advance if you are running late by making use of the cell phone numbers which are provided.

2.7 FINANCES

2.7.1 Should parents experience financial difficulties in paying the Aftercare Centre fees, the matter must be brought to the attention of the financial department immediately. Please contact the school immediately.

2.7.2 The amount due will be debited to your account at the end of each month. This amount is payable together with school fees per debit order.

2.7.3 A calendar months' notice must be given in advance should you wish to end his/her attendance at the Aftercare Centre.

2.7.4 Monthly payments must occur not later than the first of each month. Your cooperation in this regard will be appreciated.

2.8 STUDY TIMES

2.8.1 There is a compulsory study session between 14:00 and 16:00. Learners attend their particular extra-mural activities and then report for the homework sessions. Parents are requested to check their children's homework diaries to ensure that all work is done.

The Aftercare personnel will attach a note when necessary. They will also initial the diaries each afternoon.

- 2.8.2 When a lot of homework is given the session can obviously not be extended to accommodate this additional load. If learners participate in extra mural activities, they are responsible for reporting to the Aftercare Centre so that homework can be done.
- 2.8.3 If a member of the Aftercare personnel did not initial the diary it is safe to assume that the homework is not done. Parents are, however, encouraged to be involved in their children's homework assignments at all times.
- 2.8.4 Each learner must possess his/her own pencil, eraser, other required stationery and a scribbler.

No stationery will be provided. See the required list below:
